**Lead Agency:** Washington Department of Fish and Wildlife (WDFW)

**WDFW is providing updated information on this project that may be of interest to other agencies or the public. The updated information provided below does not substantially change the analysis of significant impacts in the existing environmental checklist.**

The original environmental checklist dated July 3, 2003, should be modified to reflect the following change:

The proponent plans on removing 150cu yards annually ~~90 yards~~ of debris at the inlets and outlets of two culverts named Drainage Systems A and B. Future cleanout may be necessary in the future.

**Based on the original environmental checklist and the updated information provided in this addendum, we have determined that a new threshold determination is not warranted. There is no comment period associated with this SEPA environmental checklist addendum.**
